Dear Sir:

In reply to the Office Action mailed April 14, 2004,  
Applicant submits the following responsive remarks.

REMARKS

Applicant respectfully requests reconsideration and further  
examination of this application.

Claims 1, 2, 4, 15, 30, 32-34, and 36-39 have been rejected  
under the doctrine of non-statutory double patenting, based on  
claims 1-62 of prior patent US 6295470. Submitted herewith is a  
Terminal Disclaimer with respect to issued patent US 6295470.  
Accordingly, it is believed that the non-statutory double  
patenting rejection has been overcome.

The Director of the U.S. Patent and Trademark Office is
